July 09, 2019

Appraisal Nation clients and vendors:

Our client Appraisal Nation recently experienced fraud on their account and to protect both Appraisal Nation and the bank, a decision was made to temporarily block the account. Unfortunately, this caused some checks to be returned. Any returned checks were a direct result of this fraud situation and not a reflection of the financial soundness of Appraisal Nation. This situation has been corrected and Appraisal Nation remains a very good bank client.

Sincerely:

A handwritten signature in black ink, appearing to read "Lee McInnis", is positioned above the printed name.

Lee McInnis
